

Online Safety Agreement

Keeping me safe at school and at home.

We check with a grown up before we use the internet and we will let that grown up check what we are doing.

We will tell a grown up if something we see makes us feel worried.

If we get stuck or lost on the internet we will ask for help.

We can write polite and friendly messages to people we know in real life.

We will keep our personal information, our name address, our school, our pictures “top secret” and will not share these on the internet.

We will not bring mobile phones to school. If we need to we will check with our grown ups and give them to our teacher to look after
