

# Heroes

# Welcome Words

May God be with you.

And also with you.

What is a hero?

When you think about heroes, do you think of someone in a costume, like this?

Who are your heroes?

Have a chat in your class and tell each other who your heroes are and why.

My hero -

Someone I have always looked up to and never wanted to disappoint.

Someone who has rescued me on many occasions!

Reflection-

Who is the baby on this picture?

Why do you think I have included his picture at the end of our Worship today?

We are coming into a time of Advent, when we look forward to the celebration of Jesus' birth. A hero... sent to save the world.

Prayer

Who would like to say a prayer?

## Closing Words

Go with Joy and Peace in your hearts.

I will keep the Joy and Love of Jesus in my heart.
