Mission Statement

Code of Conduct for Parents, Carers and Visitors

This Code of Conduct is an unsigned agreement between the Parent, Carer, Visitor and Darwen St James' C of E Primary Academy.

At Darwen St James' C of E Primary Academy we are very proud and fortunate to have a very dedicated and supportive academy community. At our academy the staff, governors, parents and carers all recognise that the education of our children is a partnership between us.

We expect our academy community to respect our academy ethos, keep our academy tidy, set a good example of their own behaviour both on academy premises and when accompanying classes on trips.

In addition we also expect our parents, carers and visitors to keep our children safe by adhering to the academy's request to park safely outside the academy gates, not on the yellow school lines or on the academy car park, during morning and afternoon collections.

As a partnership we are all aware of the importance of good working relationships and all recognise the importance of these relationships to equip our children with the necessary skills for their education. For these reasons we will continue to welcome and encourage parents and carers to participate fully in the life of our academy.

The purpose of this code of conduct is to provide the expectations around the conduct of all parents, carers and visitors connected to our academy.

We are committed to resolving difficulties in a constructive manner, through an open and positive dialogue. However we understand that everyday misunderstandings can cause frustrations and have a negative impact on our relationships. Where issues arise or misconceptions take place, please contact your child's teacher or the Headteacher, who will be available to meet with you and go through the issue and hopefully resolve it. Where issues remain unresolved, please follow the academy's complaints procedure. This is available on the academy website or a copy can be requested from the academy office.

This code aims to clarify the types of behaviour that will not be tolerated and seeks parental agreement to these expectations.

The code of conduct also sets out the actions the academy can take should this code be ignored or where breaches occur.

Behaviour that will not be tolerated:

- Disruptive behaviour which interferes or threatens to interfere with any of the academy's normal operation or activities anywhere on the academy premises.
- Any inappropriate behaviour on the academy premises.
- Using loud or offensive language or displaying temper.
- Threatening in any way, a member of staff, visitor, fellow parent/carer or child.
- Damaging or destroying academy property.
- Sending abusive or threatening emails or text/voicemail/phone messages or other written communications (including social media) to anyone within the academy community.
- Defamatory, offensive or derogatory comments regarding the academy or any of the pupils/parents/staff/governors at the academy on Facebook or other sites
- The use of physical, verbal or written aggression towards another adult or child. This includes physical punishment of your own child on academy premises.
- Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences)
- Smoking, taking illegal drugs or the consumption of alcohol on academy premises.
- Dogs being brought on to the academy premises. (other than guide dogs)

Should **any** of the above occur on academy premises or in connection with academy the academy may feel it is necessary to take action by contacting the appropriate authorities or consider banning the offending adult from entering the academy premises.

Thank you for abiding by this code in our academy. Together we create a positive and uplifting environment not only for the children but also all who work and visit our academy.

It is important for parents and carers to make sure any persons collecting their children are aware of this policy.

What happens if someone ignores or breaks the code?

In the event of any parent/carer or visitor of the academy breaking this code, then proportionate actions will be taken as follows:

In cases where the unacceptable behaviour is considered to be a serious and potentially criminal matter, the concerns will in the first instance be referred to the Police. This will include any or all cases of threats or violence and actual violence to any child, staff or governor in the academy, This will also include anything that could be seen as a sign of harassment of any member of the academy community, such as any form of insulting social media post or any form of social media cyber bullying. In cases where evidence suggests that behaviour would be tantamount to libel or slander, then the academy will refer the matter to the Cidari Legal Team for further action. In cases where the code of conduct has been broken but the breach was not libellous, slanderous or criminal matter, then the academy will send out a formal letter to the parent/carer with an invite to a meeting.

If the parent/carer refuses to attend the meeting then the academy will write to the parent/carer and ask them to stop the behaviour causing the concern and warn that if they do not they may be banned from the academy premises. If after this behaviour continues, the parent/carer will again be written to and informed that a ban is now in place.

Note: (1) a ban from the academy can be introduced without having to go through all the steps offered above in more serious cases.

(2) Site bans will normally be limited in the first instance.

Issues of conduct with the use of Social Media

Most people take part in online activities and social media. It's fun, interesting and keeps us connected.

We have a Facebook page which allows parents to receive and respond to messages about academy events. We encourage you to positively participate if you wish.

Within these spaces however we ask that you use common sense when discussing academy life online.

‘Think before you post’ We ask that social media, whether public or private, should not be used to fuel campaigns and voice complaints against the academy, academy staff, parents or children.

We take very seriously inappropriate use of social media by a parent to publicly humiliate or criticise another parent, member of staff or child.

If parents have any concerns about their child in relation to the academy as we have said above they should:

1. Initially contact the class teacher
2. If the concern remains they should contact the Headteacher
3. If still unresolved, the academy governors through the complaints procedure

They should not use social media as a medium to air any concerns or grievances.

Online activity which we consider inappropriate:

- Identifying or posting images/videos of children
- Abusive or personal comments about staff, governors, children or other parents
- Bringing the academy in disrepute
- Posting defamatory or libellous comments
- Emails circulated or sent directly with abusive or personal comments about staff or children
- Using social media to publicly challenge academy policies or discuss issues about individual children or members of staff
- Threatening behaviour, such as verbally intimidating staff, or using bad language
- Breaching academy security procedures

At our academy we take our safeguarding responsibilities seriously and will deal with any reported incidents appropriately in line with the actions outlined above.
